«swisstulle is dressing you!»

With the high quality of our knitted collections, we offer you modern solutions for the latest trends.

# "SWISSTULLE IS DRESSING YOU!"

...whether under or over...whether custom-made or off the peg ...  
whether elegant evening gowns or fashionable casual wear...  
swisstulle develops and produces warp knitted fabrics for fashion manufactures in its  
own production facilities in Switzerland, England and China.

## HAUTE COUTURE

Whether evening gowns with opulent embroidery, wedding and prom-dresses with airy tulle skirts. Our exclusive and luxurious qualities, combined with embroideries, give the tailor-made creations of renowned haute couture houses that particular extra.

## READY-TO-WEAR

Our wide product portfolio: from ultra-light to highly elastic tulle, from closed to functional voile and charmeuse qualities.  
Our warp knitted fabrics, made of different base materials, offer you innovative solutions for the latest trends.

## LEISURE WEAR

From casual daywear to athleisure wear. Our comfortable to high stretch knitted fabrics give your garments the right fit.  
Furthermore, our large selection of nets, as lining or mesh insert, offers the perfect complement for your collections.
