## UNDERWEAR

More than a simple underneath.  
Innovation paired with high quality offers  
you the basis for your seductive  
lingerie and perfect-fit underwear.

# MORE THAN A SIMPLE UNDERNEATH

..whether sexy lingerie...as shapewear...  
or functional sports-underwear...

swisstulle develops and produces knitted tulle for underwear and lingerie manufactures in its own production facilities in Switzerland, England and China.

## LINGERIE

Lingerie is more than a simple underwear, but seductive luxury for the modern and active woman of today. Our exclusive and refined knitted fabrics, combined with precious embroidery and lace, create a dreamlike look.

## UNDERWEAR

We offer you pleasant, highly elastic and comfortable knitted fabrics made of modern synthetic fibres or ecologically sustainable materials. For your BASIC-lines and shapewear, up to active/sport and athleisure wear styles.

## EMBROIDERY

High quality tulle and bobbinet form the basis for classic and modern embroidery, from which luxurios and unique lingerie is made. Our collections are not only light and transparent, but also meet the high technical requirements of the embroidery industry.
